

CUFA Libraries – Summer Closure (2 July – 31 August 2018)

Because of the ongoing reconstruction of the CUFA main building and related organisational issues, all CUFA libraries will be closed for the whole summer, i. e. from 2 July 2018 until 31 August 2018. All loans and extensions made in June will be automatically extended to 17 September. We recommend that our users get all the books and other materials they need for their exams and research by the end of June. During the closure, fines for overdue documents will be frozen. The machines for uploading money to the student cards will be placed on the 1st floor of the main building. Biblioboxes in the main building, in Celetná and in Hybernská (Sporck Palace) will be available during the whole summer closure. Should you have any more questions, kindly get in touch with the staff of the respective library.
