

Plea for Cooperation in Preventing Vandalism of the Faculty's Property

Dear colleagues,

allow me to inform you that on the premises of our faculty have been instances of vandalism, mainly damaging of chairs and benches.

If you are a witness of any form of destroying/damaging our faculty's property or when you discover that such vandalism has already occurred, please, report it immediately to the Bursar's office.

Thank you very much for your cooperation.

Jan Šebek
