

# Relax with Sport at the Rector's Sports Day 2024

The traditional sports festival of Charles University is organized this year by the Department of Physical Education at CU FA on 14 May 2024 in Prague, Hradec Králové, and Pilsen. Offering a wide range of activities, the event allows you to learn about new sports, compare skills and performances, and also meet with classmates and colleagues in an informal environment.

At the Sports Centre of Charles University in Hostivař, Prague, there will be a competition of teams formed from deans' collegiums of Charles University faculties, including a team from the Faculty of Arts. The contest will begin at 10:00 am. The teams will compete in non-traditional sports disciplines, such as orienteering, long jump, and medicine ball throw.

All CU FA classes are cancelled on this day.

**You may find the complete list of sports activities on the**

**Rector's Sports Day website. For some activities, you must sign up following the instructions listed in the description of the respective activity.**
