Training Courses

Training Courses

CU FA Library regulalry organizes training courses on work with eResources, citation managers, academic writing or e-learning tools & platforms and more. The aim of these trainings is to provide library users basic orientation in eResources and relevant tools available at Charles University. Training courses are presented either via on-line meetings or live at Jan Palach Library (if possible).

Current training dates available:

Currently, there are no open training dates available. New dates will be announced here as soon as they are open for registration.
