

Letní/zimní školy

U většiny zde uvedených letních škol se jedná o nabídku komerčního charakteru, studenti si tedy vše vyřizují přímo s pořádající institucí a musí počítat s poplatky za školu (pokud není v podmínkách uvedeno jinak).

Letní školy, které nabízejí stipendium, naleznete také v sekci *Stipendia*.

The Summer Institute in Computational Social Science – Ludwig Maximilian University of Munich. The Summer Institute will bring together graduate students, postdoctoral researchers, and faculty interested in computational social science. The Summer Institute is for both social scientists (broadly conceived) and data scientists (broadly conceived). Participation in the summer school is free of charge.

Deadline: 3 March 2023
