

Katedra Blízkého východu srdečně zve na přednášku  
**Dr. Noury Wahby** (American University in Cairo):

# CHRONICLING EGYPTIAN ENVIRONMENTALISM AND URBAN GRASSROOTS MOVEMENTS

**V pondělí 24/4 od 19:00**  
**(nám. Jana Palacha 1/2, P301)**

**Noura Wahby** is an assistant professor at the Public Policy and Administration Department of the American University in Cairo. Her doctoral research at Cambridge's Centre of Development Studies focused on the political economy of urban development and urban waterscapes in Cairo, Egypt. Her research interests include the urban commons, informality, water, and political geography.
