Educating heritage language learners and pupils learning a second language: Differences in approaches

CHARLES
UNIVERSITY

“Education shall be directed to the full development of the human personality and to the strengthening of respect for human rights” (UN Universal Declaration of Human Rights).

Plurilingualism and linguistic diversity are the goals of the EU.

Day 1

Presentations

- on **principles guiding heritage language development** considering three different and complementary perspectives
- on the implications of **linguistic human rights** and plurilingualism for national and EU citizenship

Day 2

Presentations of conducted pilot studies in the Czech Republic, Poland, Italy and Iceland.

- **What linguistic support do the countries offer to their heritage language learners?**

Address: (Square) nám. Jana Palacha 1/2, Prague 1 (Room: 104)
