

# KEYNOTE LECTURE:

## (IL)LEGITIMATE MEANS OF SUSTENANCE?

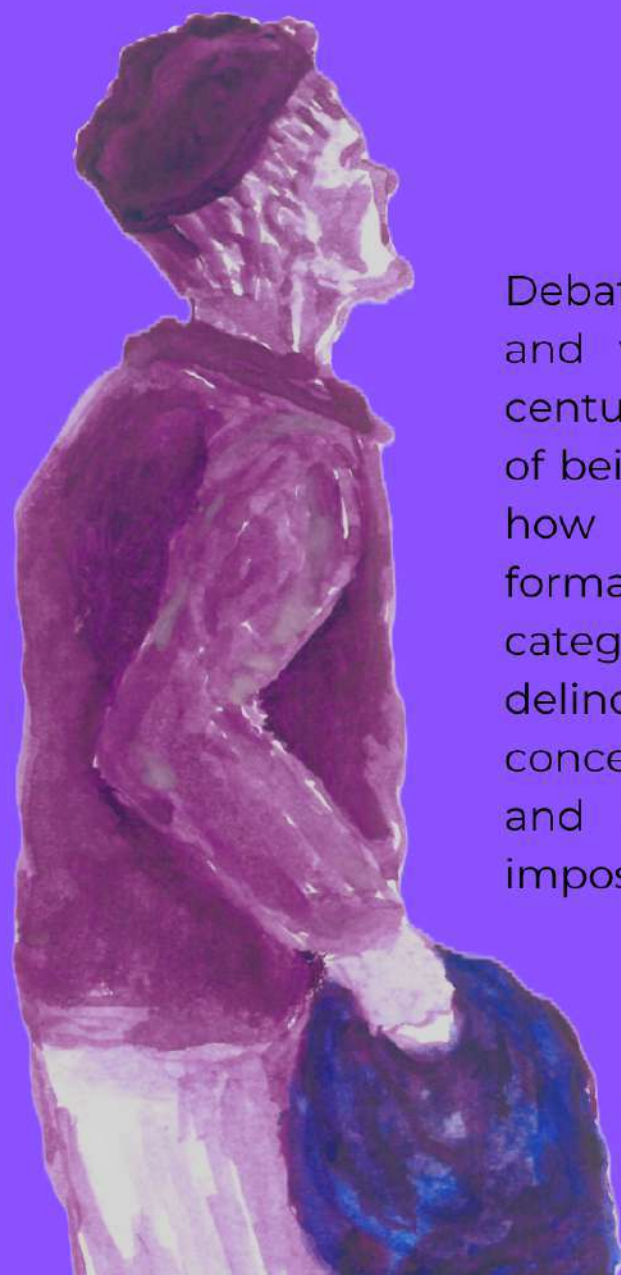

VARIATIONS, HIERARCHIES, AND DIFFERENCES IN WORK AND LIVELIHOOD AND THE SPECTRUM OF POSSIBLE CONSEQUENCES\*

Dr. SIGRID WADAUER, Privatdoz. (University of Vienna)

MODERATION: prof. Dr. phil. PAVEL HIML (Charles University)

Kampus Hybernská (Room A.3.), Hybernská 998/4, Prague 1

November 13, 18:00 - 19:30

Debates over economic crises, labour markets, and vagrancy in the 19th and early 20th centuries frequently point out the ambiguity of being out of work. The lecture will illustrate how distinctions were established and formalized and how individuals were categorized as entitled, deserving, deviant, or delinquent. The practical relevance of concepts such as honest sustenance, vocation, and the duty to care for the measures imposed will be highlighted.

\*Event is held as a part of an international workshop: **PUNISH OR REHABILITATE THROUGH WORK: institutions, discourses, imagination in Western, Central and Eastern Europe in the first half of the 20th century**
