Your Gateway to Mastering Mandarin at NTU

國立臺灣大學語文中心中國語文組

*Chinese Language Division, Language Center, National Taiwan University*

## CLD

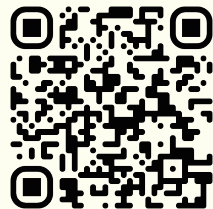

*Chinese Language Division, Language Center*

Established in 1984, the Chinese Language Division (CLD) at the Language Center of National Taiwan University (NTU) initially focused on Mandarin language teacher-training courses. As the demand for Mandarin learning grew, CLD expanded its offering to include Mandarin language courses at various difficulty levels.

Classes are designed for small groups of 5-7 students and meet for 3 hours per day, totaling 15 hours per week. For more course information, please visit the CLD website:

## ICLP

*International Chinese Language Program*

Founded in 1962, the International Chinese Language Program (ICLP) is renowned as a leading institution for both modern and classical Mandarin instruction.

ICLP has provided intensive language training to thousands of students from more than 30 countries worldwide.

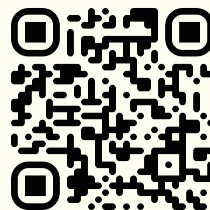

ICLP focuses on helping students achieve fluency in spoken Mandarin and develop advanced reading skills for academic research and professional use.

The program includes 1 one-on-one instruction and 3 group classes, with 2-4 students per day, totaling 20 hours of study per week.

For more course information, please visit the ICLP website:
